For 30 years Latico Leathers has brought a unique and exciting selection of leather bags and accessories to the Promotional Products Industry. We have three well-established business segments that provide solutions for your incentive, recognition, and promotional programs and events, as follows:

### Classic Corporate Gifts:

We offer a classic yet innovative selection of leather bags and accessories in Black, Natural (tan), and Café (chocolate), along with other customer selected colors. These designs are handcrafted with top-grain cowhide that is coupled with top quality hardware, closures, and linings to yield beautiful and practical designs that will last a lifetime.

### Fashion Forward / Retail Proven Designs:

Our fashion forward Collections – offered in a variety of vivid colors, shapes, sizes, leathers, and other materials – are unmatched in the Promotional Products Industry. Developed primarily for our wholesale and private label markets, these retail and catalog proven designs easily crossover to the award and incentive marketplace, and set Latico Leathers apart from other leather goods suppliers. Turn to page 18 for a quick look at some of our fashion forward designs, or visit [latico.com](http://latico.com) to see all of our luxurious and exciting options.

### Custom Projects & Materials:

We specialize in custom designs. We can create something entirely new or modify an existing design. We source leathers that meet your exact requirements, and match that leather to a specific Pantone/PMS color. In addition, we suggest creative and unique ways to decorate the finished product. From design to delivery, you can trust Latico with your special projects. Lets work together in 2014!

## GENERAL INFORMATION

### New Product Introductions / Product and Color Availability

We're constantly adding new designs to our product line. Please visit our website, [www.latico.com](http://www.latico.com), to see what's new and exciting. Some colors and some designs will be discontinued during the year, especially as we change seasons. This is particularly true for the Fashion Forward line of Latico products.

### Order Acceptance

Our minimum order is \$200 (net) and our minimum for decorating is 10 units. Orders must be in writing, and should clearly indicate the required in-hands date. All orders must be accepted by Latico Leathers. Customer acknowledges that a written purchase order is a firm and binding legal contract. Order changes must be in writing, must be confirmed by us, and may result in a change to the delivery date and/or additional charges. Orders cannot be cancelled without written confirmation from us.

### Artwork

Please provide black and white electronic art as an EPS or Hi-res JPG. There may be a fee for artwork that requires clean up, touch up, or resizing.

### Decorating Options

All designs in this catalog are priced without decoration. For an embossed/debossed logo there is a 10 unit minimum. The die and set-up charge is \$180 (P) and the run charge is \$6/unit (P) for small leather goods like travel wallets and travel kits. Larger items, including weekenders, messenger bags, laptop briefs, backpacks, and shoulder bags are \$7/unit (P). There is a \$60 (P) set-up charge when re-using an existing die.

We recommend a virtual proof showing the recommended size and location for the debossed logo - the cost is \$15. For personalization, there is a \$40 (P) set-up charge plus \$15 (P) for 2 or 3 initials. No additional charge for gold or silver foil. Please provide typed initials. Sorry, full names cannot be accommodated.

Embroidery is also a decorating option for certain designs. The cost depends in the size of the logo and the stitch count.

Other popular decoration options include a debossed leather hang tag attached to the body with leather string or metal chain, a sewn-in interior debossed leather patch, an enlarged and debossed leather pull-tab, and brass or pewter medallions that have a sticky underside that adheres to the leather. We will also incorporate into any design customer-provided linings, cloth labels, and/or hang tags.

### Production Time

Standard production time is 4 to 7 working days for in-stock merchandise, based on our receipt of a written purchase order and acceptable artwork. We will accommodate rush orders whenever possible. Production time is 6 to 8 weeks for factory orders.

### Leather Guide

Leather bags and accessories from Latico Leathers are crafted with top grain cowhide using the best available hides. Our leather goods have a distinct, rich appearance and are wonderfully soft, like your favorite leather jacket, sofa, or shoes. Slight color variations and imperfections such as wrinkles, scars, and scratches are characteristic features of genuine top grain leather and confirm its authenticity. We suggest a leather conditioner every few months to preserve the unique character and softness of our leather goods.

### Color Guide

Most of our Classic Corporate Gifts are available in Black, Natural (tan), and Café (chocolate). Please note shades of Natural and Café will vary, and we cannot guarantee the exact same shade in every bag. Black and Café designs feature matte silver hardware, while Natural designs have brass hardware.

Designs from our Fashion Forward Collections are usually offered in Black and/or Brown along with a wonderful variety of colors or color combinations. Color availability varies by Collection and by design, so please confirm color availability before placing an order.
